Family oriented end unit townhouse conveniently located close to schools and shopping. This home measures over 1600 square feet and has 3 bedrooms on the upper floor. There are 2 full bathrooms including the 3 piece ensuite plus a 3rd bathroom which is a powder room on the main floor. Many updates over the years which include flooring, paint, countertops, sinks, taps and stainless steel appliances. The lower level has a family room which provides a great space for a media or gaming room. For parking you have an attached double garage plus ample street parking in front of the home. (id:6769)
