Looking for a home with some Character? Welcome to 1651 2nd Ave. This home built in 1910 surrounded by orchards on the hills of Salmon Arm. Listed in the City of Salmon Arm Heritage home registry. It's 2 stories, plus unfinished basement giving it plenty of room with 4 bedrooms and 2 baths. Plus, unfinished basement could be potentially finished into an additional living space or a suite. There is currently street parking in front but plenty of yard room on this .29 acre lots gives you space for a future carport or garage. Great gardening and private back yard with views of the lake and city below. Check out the 3D tour and video. (id:6769)
