Welcome to this private oasis just 10 mins from Kelowna! This 10 acre fully fenced property hosts a 4-bed, 3-bath modern log timber frame home over 4600 sqft. This unique residence boasts a spacious layout, vaulted ceilings, expansive windows and heated floors. The kitchen is equipped with double ovens, ample counter space with access to the huge back patio where you can enjoy a salt water pool, hot tub, fire pit and raised garden beds. Upstairs you will find an oversized dressing room and beautiful ensuite with his & her vanities, sit down shower with built in steam saunas and a jetted two person tub that leads to a massive primary bedroom. For those who enjoy entertainment, the lower level of the home offers a large rec room complete with a wet bar. Here you will also find a large bedroom, full bathroom with built in steam sauna, and a second laundry space. But the luxury doesn't stop inside the home! Need parking? Storage? The 3-car heated oversized attached garage and a separate 2600 sqft heated/ insulated shop takes care of that. A 1500 sqft suite above offers a private retreat for visitors. The property also includes an additional 500 sqft guest home, full RV hookups and a barn with a heated tack room, stables and fenced pastures. This extraordinary property offers a unique opportunity to own a private retreat with a vast array of amenities.. Too many features to list !
