This well-sought-after, well cared for rancher is in a very desirable strata complex within walking distance of grocery stores, drug stores and all the amenities that Armstrong has to offer. This 2 bed / 2 bath rancher townhome has central air, a newly updated ensuite, and a private back yard with an enclosed atrium. Guest and RV parking is available. What a great place to retire. *The measurements were taken from Guide and are deemed approximate. (id:6769)
