Beautiful well-cared-for home in a desirable family-friendly neighbourhood. There is a large living room with vaulted ceilings, a spacious dining room and a kitchen with granite counters and centre island and hardwood floors throughout. All 3 main bedrooms are on the same level. The basement is fully finished with a bedroom, den, bathroom and recreation room. It features a separate entrance with it's own yard area making it super easy to suite. The backyard is an amazing Okanagan Oasis. It features a large custom-built, remote controlled pergola with TV and retractable screens to enjoy the indoor/outdoor experience throughout the year. The yard is fully fenced, landscaped and has some lake and valley views. The garage has been "made over" with custom cabinetry throughout & durable epoxy flooring. Exterior house was painted about 3 years ago. Flat driveway allows ample parking, including for RV & boat. Located on a quiet cul-de-sac, this home is suitable for young families or empty nesters just wanting to move in and immediately start enjoying the Okanagan Lifestyle. (id:6769)
