

Check it out! Nearly 6 acres of mature trees on a corner lot in a quiet subdivision, ready and waiting for you. Spend a little time exploring the property and choose the perfect location to build your home or cabin, then cut trees selectively to maintain a perfectly private oasis to enjoy for many years into the future. You'll hear the birds singing and see the signs of wildlife walking through the yard on a regular basis. It's time to start planning. (id:6769)
