

# 3989 FOOTHILLS Boulevard Prince George British Columbia

\$685,000

Large parcel of land located inside city limits. This property has good subdivision potential with large parcels of land to be divided into small acreages. The development of this property will yield plots of land approximately 5-11 acres in size. This land would make an amazing location for an equestrian center or a dog boarding location. The property has enough sand on the property to pay for the land if a person had the aptitude to arrange this. Cell tower on the property had a long-term lease on it and is presently up for renewal. Lots of deer, moose and elk frequent the property. Located on Foothills so road bans do not impose on this land. (id:6769)
