Rare and unique opportunity! Large, in town lot, with partially constructed, custom home with beautiful lake, mountain and valley views! Extremely well-built structure with 2X8 exterior walls, 2X6 interior walls. A blank canvass with over 4,000 square feet of possibilities. Current layout of 5 bedrooms, 4 bathrooms could be altered to accommodate any additional wants and needs such as an in-law suite in the basement level. 0.49 of an acre lot with mature trees , a stone's throw from the Pileated Woods Community Park, offering a super private setting. Located within a short walk to the downtown core. (id:6769)
