Welcome to your new home!! Nestled amongst the trees this home was completely renovated in 2023. Updates include a new kitchen, vinyl plank flooring, paint, trims, baseboards, lighting & fixtures, and to top it off fabulous bathrooms! A new roof, complete exterior paint job, new exterior stairs, and the oversize garage is all drywalled. There are three (3) amazing sundecks which are great for entertaining, two of them overlooks the treed property & lakeview. The high end heat pump is good to -40! A bonus 900sq.ft. of heated storage under the basement with an access door. The upper double carport makes it so easy to access the main floor living... Come and see for yourself - I guarantee you won't be disappointed :) (id:6769)
