Welcome to 875 Greenwood Road! A beautiful, 1 level Bungalow on 1.54 acres nestled near the vibrant center of Greenwood and all its conveniences. This residence and its landscaping showcase craftsmanship, promising a serene and easy-care lifestyle. Step inside to discover airy high ceilings, custom blinds throughout and a luxurious primary suite with a large ensuite bathroom. A newly added Pacific Energy Super Classic LE wood stove enriches the family gathering areas. With a spacious, double car attached garage, a welcoming kitchen with extra large island for entertaining, a patio perfect for hosting summer BBQ's amid the lush backyard and a cozy veranda ideal for morning coffee, every desire is met here. Efficiency reigns supreme with ductless heat pumps for cooling during summer months and in-floor heating for winter warmth. Boasting four bedrooms, 2-1/2 baths and an inviting foyer, this property would suit any lifestyle need. Only minutes away from CFB Greenwood, this property is a must see!
