Welcome to 875 Retallack Street in the Washington Park neighborhood close to elementary schools, restaurants, local shops, parks and more. This home is great for a first time buyer or an investor as it's ready to rent. This 3 bedroom 1 bathroom, 1913 built, 720 square foot bungalow sits on a 125 by 24 square foot lot. The front yard has a lawn with trees and the backyard is partially fenced with a lawn and room for parking. You enter this home into the porch and then head into the living room with modern laminate flooring. Next are two bedrooms followed by the 4 piece bathroom. At the back of the house you have the kitchen followed by the last bedroom that would also make a good office. This home also has a partial basement with an included washer and dryer. (id:6769)
