If peace and quiet is what you're looking for, build your new home on this small acreage. One advantage is that there are a few nice options for a building site and placement of a well and septic. There are a number of established wells in the immediate area. Southeast exposure provides a favorable view of mountains and valley. Nicely treed property gives the feel of living in the forest, but only fifteen minutes from the town of Creston. Recreation abounds! If you are a bird lover, this property is close to the Wildlife refuge. Priced under 2024 assessment and the most reasonably priced acreage in the valley. Opportunity is knocking so call your REALTOR(R) today. (id:6769)
