

110 Yorkton Road West Kelowna British Columbia

\$4,250,000

Real estate development opportunity 3.42 acres with conceptual drawings to construct 37 unit multi family site. This stunning site offers a complete package for multi family development with zoning in place. The conceptual drawings/plans consist of 3 high end 6-plex stacked buildings and 19 multi-family homes which offer sun decks, private elevators and 180 degree unobstructed lake and valley views. The site can achieve significantly higher density. Majority of the roads and infrastructure are in place providing a streamlined development process. All services are available. Whether you enjoy exploring the nearby trail systems for walking, hiking, biking or taking advantage of the nearby waterfront and beaches golf courses or wineries. The Trails Development offers the perfect setting and lifestyle. Other design can be submitted with The Trails approval (PLEASE NOTE: "higher density is achievable for this site") Capital costs invested to date include infrastructure to access both properties to the lot line, material removal , civil work including storm, water, sewer & shallow utilities to the lot line, design costs, development permit costs, Park development and fencing, roundabout traffic circle and improvements to Glenrosa Road are off site costs that have also been completed. The work accomplished to date accelerates your development process. This Master Planned Community will consist of 109 single family home sites and 2 Multi family sites. DP is in Place. (id:6769)
