

## 2055 Ethel Street 20 Kelowna British Columbia

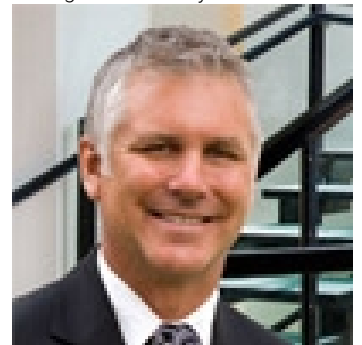

\$599,900

Why rent when you can own? There are TWO parking spaces, one carport and one outside, included in this 2 bedroom plus den, which could work as a 3rd bedroom, in a prime central location close to shopping, transit and the lake. Woodcroft Estates has just done a whole facelift including new siding, new roof and windows, re-decking and repaving. There is a handy storage room outside accessible from the carport plus loads of storage space in the basement. The main floor of this cozy home boasts a spacious living room/dining room with vaulted ceilings, a new gas fireplace, a very functional kitchen with eating nook and a half bath conveniently containing the washer/dryer. The newly constructed deck with ample green space out back is wonderful for enjoying the Okanagan summer months. Upstairs, the primary bedroom enjoys its own private deck, his/hers closets and a 3 piece ensuite with cork flooring. There is a second bedroom and another full bath plus a den with a sliding door making it easy to use as a 3rd bedroom! Downstairs is a full, unfinished basement with two work benches (that could easily be removed) just waiting for your ideas like a media room or a gym! So much potential. Newer furnace and hot water tank was replaced in 2015. Call your realtor today for your personal tour and check out the virtual tour online! (id:6769)
