Great value and potential with this well kept home! Priced well below most recent tax assessment. Spectacular combination of privacy and views from this lovely home. Set amongst nature, this comfortable home has almost no rooftops in its view. Good use of skylights and windows provide tons of natural light throughout. Very spacious main floor plan with 3 bedrooms up plus large separate dining room. Corner kitchen with good storage has a view over tree tops towards the lake. Expanse of windows from the living room allows for views of lake, city and mountains from all corners. Low maintenance landscaping, both rear and front yards. Very quiet neighbourhood, with walking trails across the street, award winning wineries down the street, but only minutes from downtown Kelowna. Meas. approx and from iguide.
