

6430 Whiskey Jack Road 310 Big White British Columbia

\$474,900

Ready for this ski season with no rental commitments, the GST is paid and it comes turn key ready. This unit has been renovated tastefully and shows very well. You have a great view of the ski hill and can inspect the snow conditions from your deck before you head out and in the summer it is much cooler in the north facing units. A lovely unit in a great location. The Ptarmigan has just had a substantial renovation to it's exterior and the work will be completed before the ski season. The building will look like new and the bill has been paid, and there is still money in their contingency reserve because it's such a well managed and cared for building. (id:6769)
