

1101 Cameron Avenue 62 Kelowna British Columbia

\$879,000

This is THE jewel of the gated communities. First time on the market! This 2955 sq ft walkout rancher sits on what is arguably the nicest lot in Sandhaven. This home backs onto an expansive green space with a creek. It is steps away from the pool. The rooms are generously sized, with 2 bedrooms up and one down. There is also a guest room with it's own stove and fridge (part of the original build). Overlooking the yard is a 270 sq ft enclosed deck and a similar sized patio at yard level. The home was built to order and well cared for. The bones are great, poly B was removed, HWT recently changed and the roof has many years of life left. An air purification system was installed. The washer and dryer are high end Bosch units. The home is set up to lock and leave with security shutters installed on the windows. It is ready for your ideas and updates. This is a one of a kind. Not much downsizing needed to move in here. Come and look. (id:6769)
