

944 Bear Creek Road West Kelowna British Columbia

\$999,900

Incredible 75 acre parcel of bare land located just 15 minutes downtown Kelowna. Acreages of this size are rare to come by and the proximity to city amenities is unbelievably scarce. The acreage spans Bear Creek and there's easement access to the reservoir. At the top of the property there's a large level build site with incredible mountain views. Space, privacy, nature, serenity ... this will be a dream estate property. (id:6769)
