

98 Red Sky Court Kelowna BC

\$2,499,000

You will notice the sweeping lake and mountain views from the moment you walk through the front door of this stunning executive home located on a quiet no-through street in Wilden! The great room offers vaulted ceilings, a gas fireplace, dining area and open concept kitchen designed by Carolyn Walsh, perfect for entertaining with gas stove, double oven, wine/beer fridge, stainless steel appliances and oversized island. The main living space flows out to your own private oasis which includes a large saltwater pool, hot tub, covered patio and a gas fire pit area to take in the views. Also on the main floor is a large bedroom, bright office, pantry, mudroom, laundry room with chute and full bathroom with an exterior door for rinsing off after a swim. The upper floor offers a master suite with w/i closet, 5-piece ensuite and deck to take in the stunning view. Also upstairs are 2 generous sized bedrooms one with a vaulted ceiling, and full bath. The lower level has a spacious rec room with lots of b/i storage, gym and 2-piece bathroom, as well as a self-contained legal 1 bedroom suite. Situated only 10 minutes from downtown and 10 minutes to the airport, this home will not disappoint!
