

**\$412,900**

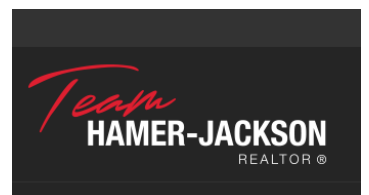

Looking for an affordable, well-kept home with a HEATED garage? This 3 bed, 2.5 bath home in West Haven checks all the must-haves. A spacious entryway leads into the large living room. The main floor also features a bright kitchen with ample cupboard space, a large island and corner pantry, all overlooking the generous dining nook. This level is finished with a 2 pc bath and convenient main floor laundry. Upstairs you will find 3 generous bedrooms, including the primary suite with a walk-in closet PLUS a large ensuite featuring a walk-in shower. The two additional bedrooms are both well sized. The upper level is completed with another 4 pc bath. The backyard offers a good sized yard w/ large deck PLUS double detached HEATED garage w/ample lighting. The basement is unspoiled and ready for future development. This home also features newer flooring vinyl plank flooring and carpet throughout as well as a central vac system. This lovely home is close to schools, walking paths, shopping, playgrounds and more. (id:6769)
