North BX

\$1,199,000

85 acres of wooded hillside could be your personal refuge for a variety of outdoor activities! Game trails crisscross along the hillside and the views here are similar to those of the Foothills of Silver Star. Build your dream home (or two!) and enjoy rural country living while still being near the cities amenities! As a bonus, this property has approximately 10 hectares of machine harvestable lumber (more if you want to do it manually!). (id:6769)
