

10907 Prairie Valley Road 1 Summerland British Columbia

Main Town

\$1,199,000

Introducing a brand-new, modern home in the heart of Summerland! This property features 3 bedrooms and 3 bathrooms across 2 levels, along with a 750 sq ft legal 1-bedroom, 1-bathroom suite with a separate entrance below. Additionally, there's a spacious 520 sq ft detached garage with a carriage home above. This home offers an incredible investment opportunity with the potential for two mortgage helpers or potential Airbnb income if licensed. The attention to detail and quality craftsmanship are evident throughout the build and finishes. The legal suite, located at the back of the home, ensures privacy with its separate entrance. The detached garage is generous in size, and exterior stairs lead to the unfinished carriage home above, which is designed as a 1-bedroom, 1-bathroom suite (plans available). Conveniently located near downtown, schools, and recreational facilities, this property sits on a large lot. Built to level 3 building standards with a Zero Lot Line and ICF party wall, this home is currently under construction and nearing completion. For more details or to schedule a private showing, please contact the listing representative. Zero Lot Line ICF Build. Price Plus GST. Measurements are approximate and should be verified. (id:6769)
