

1675 Thayer Court 1 Kelowna British Columbia

Glenmore

\$699,000

Welcome to Unit 1-1675 Thayer Road! This massive end unit townhome offers 5 bedrooms plus den and feels more like a single family home! The bright and spacious interior features a functional open-concept layout designed for modern living, with spacious living and dining areas that flow into the kitchen-- perfect for entertaining family and friends. Upstairs the large primary bedroom has a renovated full ensuite and two more bedrooms with full bathroom on the upper level. Large windows throughout fill the home with natural light, creating a warm and welcoming atmosphere. Enjoy outdoor living with the biggest private patio in the complex with enough room for table, chairs and much more! Attached single garage is also bigger than the other units at 23' long and nearly 12' wide. Additional features include hardwood floors, built in vac, ample storage, forced air heating w/AC, and a 2nd parking stall! Conveniently located close to schools, parks, shopping, restaurants, transit, UBCO, the airport, and many everyday amenities. An excellent opportunity for someone wanting the size of a single family home without the headaches of a yard. Check out the virtual tour in the media tab! (id:6769)
