Lakefront luxury in Peachland. Where every day feels like a vacation. This lakefront home is all about slowing down, opening the doors, and letting the Okanagan lifestyle take over. Set within an exclusive enclave of just 8 residences, this 3-level retreat delivers effortless luxury right at the water's edge, offering a rare blend of privacy, craftsmanship, and true indoor outdoor living. The main level opens completely through full-width sliding patio doors, creating a seamless connection to the water. The gourmet kitchen features a Viking gas range, beverage cooler, and granite countertops, perfect for cooking and entertaining. Upstairs, the primary suite feels like a boutique lakeside hotel. Open the doors, breathe in the fresh air, and watch the water shift with the day. Two additional bedrooms in the home welcome family and friends to settle in and stay awhile. The lower level is your year round hangout. A relaxed entertaining space with another set of retractable doors leading to a screened-in lakeview patio. Movie nights, game days, quiet afternoons. It's the cozy heart of the home. Step outside to 200 ft of sandy shoreline, your own boat lift, and endless days on the water. With a double detached garage and low-maintenance design, you spend less time working on your home and more time enjoying it. This is lakefront living the way it's meant to be. Easy, elevated, a...
