Welcome to Snow Pines—an owner-quality retreat designed for quiet living and effortless ski days. With a private garage and driveway, you'll skip the winter shuffle and step into true ski-out access right from your door. After a day on the slopes, relax on your spa deck with hot tub, cold plunge, and firepit for evenings beneath the stars. Inside, the home blends alpine warmth with modern comfort: wood accents, a stone fireplace, and bright windows create a welcoming feel, while the chef-inspired kitchen features pro-style appliances, gas cooking, waterfall granite, and fresh finishes. Recent updates include new lighting, fresh paint, and a brand-new espresso machine to kickstart first tracks mornings. Sleeping nine, the layout offers a serene primary suite, a bunk room with trundle, and versatile flexible space. Unlike busy village condos, this property provides privacy, sunrise views, and exceptionally low strata fees (~\$225/month), while lifts, dining, and services remain close at hand. More than just a hotel-style unit, it delivers quality, function, and mountain ease. With new direct flights to Kelowna from Los Angeles, Toronto, and Montreal, Big White has never been more accessible—just an hour from YLW, where Canada's premier ski destination offers some of the best snow in North America.
