

Whitehorse Yukon

\$744,900

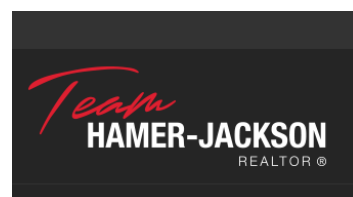

Beautiful custom SPK home available mid-August in the established neighbourhood of Ingram! This gorgeous two-level home sits on a freehold 4,400 sqft corner lot with a fully fenced backyard and offers 4 bedrooms, 2.5 bathrooms, and a family room on each level. The bright open-concept main floor features stunning natural wood vaulted ceilings, a heated ceiling fan, tile kitchen flooring, half bathroom, and a spacious primary suite with ensuite. Downstairs you'll find three additional bedrooms, a full bathroom, laundry room, second family room, a finished mechanical room, and a crawlspace spanning the entire footprint of the home for excellent storage. Electric heat and real hardwood flooring add warmth and quality throughout. There is a large deck and a gravel parking pad accommodates up to four vehicles, with additional street parking available. A fantastic family home close to trails, parks, schools, and all Whitehorse amenities! Don't miss -book your showing today! (id:6769)
