

1117 Mt Fosthall Drive 10 Vernon British Columbia

Middleton Mountain Vernon

\$1,850,000

Privately positioned in the prestigious Mt. Eagle Place, this executive home is a showcase of refined craftsmanship and modern luxury. Designed by Donald A. Gartner Architects, the residence blends timeless style and high-end finishes throughout. The entertainer's kitchen stuns with double islands, quartz countertops, dual dishwashers, and built-in wall and warming ovens. Towering 24-foot ceilings and expansive windows flood the great room with light, framing sweeping views of the valley, city, and mountains. Step onto the glass-railed deck to take it all in. The main floor primary suite is a retreat of its own, featuring dual walk-in closets and a spa-inspired ensuite with a soaker tub. A second bedroom or office, full laundry/mudroom, plush carpeting, and porcelain tile complete the level. Downstairs offers a full walk-out basement with a spacious family room, gas fireplace, theatre, gym, wine cellar, two full baths, and three additional bedrooms. Outdoor living is elevated with a sunken hot tub, gas fireplace, and private yard. A rare opportunity to own a statement home in one of Vernon's most exclusive neighborhoods--luxury living at its finest. (id:6769)
