WATERFRONT TOWNHOME at The Villas!! This stunning 3-bedroom, 3-bathroom townhome overlooks Peanut Lake. The main floor is designed for effortless living, with a bright, open-concept layout that draws your eye straight to the water. The primary bedroom is conveniently located on the main level, complete with a spa-inspired ensuite. Step out onto your large covered east-facing deck to catch the sunrise with coffee in hand. Downstairs, two additional bedrooms, a full bathroom, and a generous recreation room give family and guests their own comfortable space, with another covered patio that extends your living outdoors. Privacy is built in -- with just four strategically staggered units in the building, you have the feel of a private retreat without sacrificing a central location. The practical details are just as impressive: an attached double garage with EV charger, guest parking throughout the complex, and resort-style amenities including a pool and hot tub for winding down after a day in the South Okanagan sun -- and yes, pets are welcome. New Home Warranty is still in place for added peace of mind. (id:6769)
