

Whitehorse Yukon

\$729,900

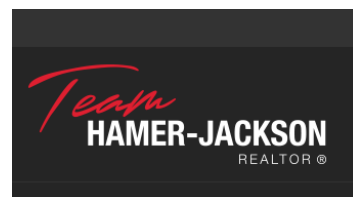

Home before Christmas - no stairs, no wasted space, no neighbours behind you. Step into effortless one-level living with this thoughtfully designed rancher by SPK Home Construction. Estimated completion December 2026. This home combines contemporary style, practical layout, and everyday comfort. The open-concept design features a spacious kitchen with a large island, soft-close birch cabinetry, a walk-in pantry, and stainless steel appliances with a 3-year warranty. Bright living and dining areas include expansive windows and access to the private backyard. The primary bedroom includes a walk-in closet and a 5-piece ensuite. Two additional bedrooms and a full 4-piece bathroom provide comfortable space for family or guests. Extras include 9-foot ceilings, a metal roof, and a heated crawlspace. The attached heated garage adds convenience and comfort during Yukon winters. Photos are from a previously built SPK bungalow and are for reference only. (id:6769)
