

A great place to get into the market. 2 bedroom townhome on quiet residential street. Walk to town, schools or Beach. Well kept end unit. Full bathroom upstairs and 1/2 bath on main floor. Nice side yard. Outside there's a shed and a carport. Only 3 units in the complex means no strata fees, just 1/3 of yearly taxes or maintenance items. Laminate flooring. Small deck off the primary bedroom and one below. Excellent price to get into the Osoyoos market as a first time buyer or investor. (id:6769)
