

Whitehorse Yukon

\$1,269,000

Impressive Executive Country home just 15 minutes from Whitehorse! Custom-built two-storey home with walk out basement and attached 35x27 garage. Sits on 2.5 private acres with hiking & biking trails right out the back door. Open-concept main features a grand slate-tiled foyer, formal dining area, and bright living room with feature wood stove. The kitchen shines with concrete counters, pantry, stovetop, and wall oven. A stunning post-and-beam staircase and expansive windows fill the home with light. Step onto the large deck with hot tub for ultimate privacy and relaxation. Upstairs offers 3 spacious bedrooms, full bath with double vanity, including primary suite with walk-in closet, 3/4 ensuite with heated tile, plus convenient upper laundry. Basement includes a rec room, workout area, fourth bedroom, and 3/4 bath complete this exceptional property. (id:6769)
