Welcome to this spacious 2-storey family home in desirable Westpark! With over 1,800 sq ft, the open-concept main floor features a kitchen with island & breakfast bar + large walk-in pantry. The adjacent dining area faces the yard & has enough space for everyone! The comfy living room features a gas fireplace (so Santa can find you), and a pretty yard view. Also on the main: 2 pc bath, laundry & an attached double garage. Upstairs you'll find a bright, front-facing bonus room with big windows, a generous primary suite with walk-in closet and private 4-piece ensuite including a jetted tub, plus two additional bedrooms and a full bath. The fully finished basement has updated flooring, 3 windows, a large bedroom, 3-piece bath, rec room, and ample storage. Enjoy a fully fenced & landscaped yard with a unique raised stone patio for those summer BBQ's. All appliances included--fridge new this year! With a long driveway, parking is a breeze. Located close to shops, transport, parks, trails & schools. (id:6769)
