

1000 Euclid Road Kelowna British Columbia

Rutland North

\$889,000

Exceptional family home in a quiet, private setting with a spectacular resort-style backyard designed for entertaining and relaxation. The outdoor space is truly a showstopper, featuring a sparkling inground pool, expansive tiered decks, covered outdoor living areas, and beautifully landscaped easy-care grounds that create the perfect private oasis for summer enjoyment. Whether hosting guests, enjoying family time, or unwinding poolside, this backyard offers an incredible lifestyle rarely found. Inside, the home has been meticulously maintained and extensively updated throughout. The main floor features a spacious great room with hardwood flooring and an updated gourmet kitchen complete with a large island, granite countertops, gas range, and stainless steel appliances. Upstairs offers 3 bedrooms, while the middle level includes convenient laundry and a 3-piece bathroom with direct access to the pool area -- ideal for indoor/outdoor living. The lower level includes a cozy rec room with freestanding wood stove, 4th bedroom, and office/den providing flexible space for family, guests, or working from home. Major upgrades include Hardie board siding, Craftsman-style exterior trim, vinyl windows, newer furnace, central air conditioning, and updated interior doors and trim. Double drive-thru garage with excellent storage/workshop potential plus RV parking. Move-in ready with outst...
