

Fort Saskatchewan Alberta

Sherridon Heights

\$425,000

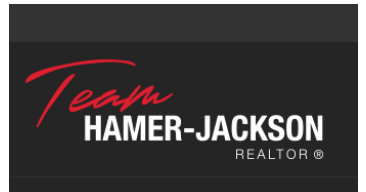

WOW, almost 8000sq ft property! Two LOTS. This is the epitome of the perfect family area. With schools only a few steps away, you may want to come visit this home. Just around the corner, there is a Swimming Pool, Skate Park, Curling Rink & Golf Course. This 3 bedroom home is located in a beautiful mature area of Fort Sask & both lots are included in the price. Shingles were just done in 2024, windows are all vinyl, 100amp power, furnace & HWT are newer and the siding is only 2 years old. Gorgeous kitchen with stainless appliances, two living rooms, both have double patio doors that open to the HUGE yard, a single attached O/S garage on the front, but the best part...the back alley, & fence opens up to store RV. Come and check it out, you could potentially add a double or triple garage! The main floor also has a master bedroom, 3 pc bathroom, laundry, and the upper level has two more bedrooms, plus a 4pc bathroom. (id:6769)
