

**1004 Emslie Street Kelowna British Columbia**  
 Upper Mission  
**\$1,879,000**

Currently nearing completion, this exceptional Upper Mission residence captures everything buyers are searching for in modern Okanagan living—timeless architecture, breathtaking views, and thoughtfully curated design. Set on a 0.20-acre lot, the home showcases panoramic lake, city, valley, and mountain views, complemented by warm organic finishes, soaring 10-foot ceilings with select areas reaching up to 16 feet, and elegant arched architectural details throughout. Expansive windows flood the main living spaces with natural light while framing the remarkable views beyond. At the heart of the home, the designer kitchen features a substantial island, walk-in pantry, extensive cabinetry, and seamless connection to the dining and living areas. A striking floor-to-ceiling fireplace anchors the great room, creating an inviting setting for both everyday living and entertaining. Oversized sliding doors open to a covered view deck designed for year-round enjoyment. Complete with a splash pool and exceptional outdoor living space, the home embraces the very best of the Okanagan lifestyle. The thoughtfully designed layout offers 4 bedrooms and 4 bathrooms plus versatile den, including an impressive primary retreat with stunning views, a spa-inspired ensuite featuring a freestanding soaker tub and walk in shower, a custom walk-in closet, and direct access to the laundry room through el...
