# \$975,000

Set high above the shoreline on Okanagan Lake in Penticton, Unit 1006 offers the kind of Okanagan lifestyle people move here for. Morning coffee overlooking the lake, evenings spent walking the waterfront, and the freedom to lock the door and leave for the winter knowing everything is taken care of. This 10th-floor corner unit features sweeping lake and valley views, 1,314 sq. ft. of bright open-concept living, 2 bedrooms, 2 bathrooms, and 2 balconies that extend the living space outdoors. The spacious primary suite includes a walk-in closet and a large 5-piece ensuite, while modern finishings throughout give the home a clean, contemporary feel. Lakeshore Towers is one of Penticton's premier concrete lakefront communities, offering an outdoor heated lane pool, hot tub, putting green, 2 gyms, 3 community rooms, peaceful courtyard gardens with BBQ areas, secure storage, and, rare for the building, 2 secure parking stalls located steps from the elevator. Located directly across from and just minutes to breweries, restaurants, coffee shops, beaches, parks, and the famous Penticton Farmers' Market, this location is truly unmatched. (id:6769)
