Lower Mission

Welcome to Southwind at Sarsons, a highly desired amenity rich community in the heart of the Lower Mission. Known for its beautiful gardens and water features, the amenity complex is complete with a resort-like indoor pool which opens up to a fantastic outdoor lounge area via glass garage doors in the summer months, and a well appointed fitness room and clubhouse. This 2 bedroom 2 bathroom unit is conveniently located on the ground floor with a large private patio space. The cozy living room has a gas fireplace, and the recently refreshed kitchen is well equipped with stainless steel appliances, a gas range and granite countertops. Hardwood flooring runs throughout the main living space. Off the primary bedroom you will find a nicely appointed ensuite with tiled walk in shower. The main bathroom is outfitted with a tub/shower combo. There is plenty of extra storage thanks to the expanded laundry room. This home has been well maintained and pride of ownership is apparent! An added bonus is the large, private storage locker which measures 7'6 X 6'3. Geothermal heating and cooling as well as hot water are included in the strata fees which keep your utility bills to a minimum. A short walk away are Sarsons beach, schools, local stores and the soon to be completed DeHart Park. Southwind is pet friendly welcoming either 1 cat or 1 dog under 15" tall and 12kg. (id:6769)
