

783 WINNIPEG Street 101 Penticton British Columbia

Main North

\$625,000

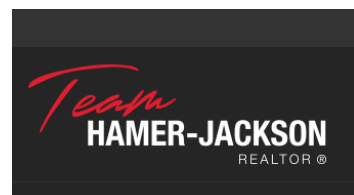

Welcome to Winnipeg Gardens a brand-new townhouse development designed for modern, comfortable and low-maintenance living. Built to Step 4 building code (roughly 40% more efficient), this home offers energy-conscious construction and year-round comfort. Quality laminate flooring throughout with no carpet, a contemporary kitchen with quartz countertops, a striking waterfall peninsula and new appliances. The upper level offers 9-foot ceilings, two spacious bedrooms, a large primary walk-in closet and a generously sized modern bathroom. Energy-efficient features include a heat pump and ERV (Energy Recovery Ventilator), designed to improve efficiency, ventilation and year-round comfort. Each home also includes a garage for secure parking and added convenience. Modern finishes, thoughtful design and energy-conscious construction come together to create a stylish, efficient and comfortable home at Winnipeg Gardens. Great for First Time Home Buyers that could qualify for no GST and Property Transfer Tax. (id:6769)
