Main North

\$509,000

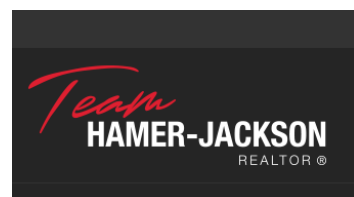

Fantastic location!! Enjoy being steps away from the beach and a short walk to all that Penticton's vibrant downtown has to offer. This home has a great layout featuring an open concept main living area. The deck and fully fenced yard are a huge bonus!! Many updates have been tastefully completed. Extra storage is no problem thanks to the large crawl space. Off street parking is another bonus. Topping it off there is no strata fee or restrictions. This is a must see, call today. (id:6769)
