Meticulously maintained and built to impress, this 3,600+ sq. ft. walkout rancher blends timeless craftsmanship with modern comfort. From the moment you enter, 15-foot ceilings and sun-filled windows create an elevated sense of space and warmth. The main level features 11-foot ceilings, and refinished Brazilian cherry hardwood that glows with pride of ownership. The open layout connects a spacious great room, gourmet kitchen with granite counters and raised island, and a large covered deck perfect for entertaining.
