

1014 Hewetson Avenue Kelowna British Columbia

Upper Mission

\$1,539,900

Welcome to this incredible home. Here you can experience stunning views of the lake, city, and valley from almost every room. Culinary enthusiasts will appreciate the chefs kitchen with a professional series 6-burner gas range, Double oven with heating drawer, Jenn-Air two-door fridge and walk-in pantry. The open concept floor plan includes a spacious and inviting great room featuring a unique 10' high tray ceiling and gas fireplace. The large deck with glass railing is partially covered and is a great space to entertain. Enjoy sweeping lake views from the primary bedroom, featuring access to the deck. The spa-like ensuite features a double vanity, large shower with body jets and inviting soaker tub. Working from home is enjoyable in the main floor office situated just off the front door. The lower level of this home contains a Rec room with wet bar and fireplace, A spacious family room, two generously sized bedrooms with a 4 piece washroom in between, plus a flex room. There is access to a private patio from this level with more incredible lake views. Oversized garage with room for two cars and a lot of toys. Hiking and biking trails are right outside your front door, and there is a wonderful shopping center just a short walk away. Don't miss out on the chance to make this home your own!
