

1015 Guest Road West Kelowna British Columbia

West Kelowna Estates

\$1,690,000

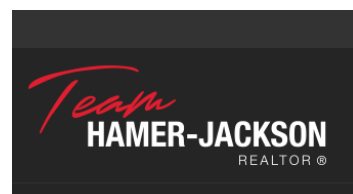

Come see this beautiful, spacious home with stunning lake, mountain and city views! It's an entertainer's haven with a big inground heated pool and hot-tub on the huge deck area. There is a gourmet kitchen with stainless steel appliances, large windows to take in all the views, workshop/studio area in the basement, large office area in the basement, and a large area in the basement that can be made into a theatre room. Loads of potential! Nicely updated over the years with recent fresh paint throughout! This home has lots of storage and ample space to park all of your toys. An absolute must see!
