

1016 EMSLIE Street Kelowna British Columbia

Upper Mission

\$2,289,000

Seller is willing to add a pool for you! This architectural masterpiece blends modern sophistication with timeless elegance, set high above the city for sweeping lake, valley & mountain views. Designed for both grand entertaining & intimate living, the main level flows from a dramatic 2-storey living room with marble fireplace to a chef's kitchen with Fisher & Paykel appliances, waterfall-edge marble island, butler's pantry & dining area opening to a covered deck. The primary suite is a private retreat with panoramic views, spa-inspired ensuite & boutique-style walk-in closet. A stylish den, powder room & mud/laundry complete this level. Upstairs offers two view bedrooms with walk-in closets & ensuites, plus a lounge with wet bar & sun deck leading to the rooftop patio. The lower level is an entertainer's dream -- recreation room, wet bar, glass-enclosed gym, wine room & walkout to a covered patio. A fully self contained 1-bedroom legal suite with private entry provides flexibility for guests or premium rental income. Throughout, luxury finishes -- marble, custom millwork, Lutron lighting & accent stair lighting -- create a cohesive, elevated style. This is Upper Mission living without compromise. (id:6769)
