Penticton Apex

\$159,900

Welcome to Apex Mountain Resort! This 343 sq ft fully equipped mountain getaway is turnkey and ready for company as soon as you are. At your fingertips is all Apex Mountain Resort has to offer for just a fraction of the cost and hassle of larger, higher maintenance units. Pack up your consumables, grab your gear bags and you have all you need for an epic Ski Mountain adventure! This charming unit is compact and well designed. The Murphy bed packs up effortlessly and allows ample room for you and your family to enjoy quiet evenings in the living room watching the lights twinkle off Okanagan Run after a filling home cooked meal. So much to do! Take that winter walk around the skating loop, snowshoe with your furry companion, Nickel plate cross country skiing! Endless activities for all ages. With its proactive Strata Council, many recent updates to the building and unit, walking distance to the lifts and Village, this is a must see for Personal use or Investment Buyer. Call for all the details! (id:6769)
