Turnkey opportunity to own a thriving salon in the desirable Rose Valley neighbourhood, directly across from Mar Jok Elementary School. This welcoming salon offers a full range of services including hair cutting, styling, colouring, as well as nails and pedicures. The business is based on a profitable rental chair model, with potential to easily expand by adding two additional chairs. A separate, private room with a dedicated chair for nail and pedicure services is currently rented out on a daily basis, providing extra income. The salon also features in-house laundry facilities and convenient storage space. (id:6769)
