

2901 Abbott Street 103 Kelowna British Columbia

Lower Mission

\$794,500

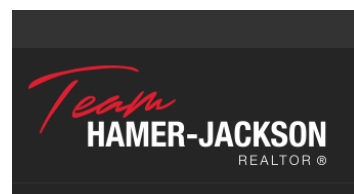

Living the Kelowna Life. It really doesn't get any better than this. Abbott house is a sought after complex directly across the street from a beautiful Okanagan Lake front park and steps from shopping , coffee shops and restaurants in Kelowna's Lower Mission neighbourhood. This 2 bed, 2 bath and den unit is ready to move into and enjoy a carefree lifestyle. Abbott house is Geothermally heated and cooled (included in strata fee) with secure underground parking and storage. Unit 103 has a large, almost 600 sq. ft., patio that provides unrivaled outdoor living space that walks right out into Abbott Street Park. You can choose to access your home via the main entrance to the building, or simply by walking right to your private patio door. This is truly home you can be proud of. (id:6769)
