Reap the rewards of a meticulously crafted home located in the spectacular Upper Seasons complex with Lake, Mountain, and Valley views. This 2022-built, rancher plus walk-out basement style home, with a bright natural light-filled interior and an open-concept layout awaits. The generously sized kitchen offers a lovely fusion of contemporary and classic, with stainless steel appliances, a large center island with accent cabinetry, and complementary countertops. In the adjacent living room, a handsome gas fireplace adds warmth and ambiance, and a glass doorway leads to the attached upper deck. Upgraded with 3 powered outdoor screens, as well as plumbed for a gas fire table & gas BBQ, this functional space serves as a great extension to the living area with a breathtaking backdrop. The main floor master suite impresses, with a fabulous 5-piece ensuite bathroom and walk-in closet. Below the main floor, two additional bedrooms, full bathroom, generous storage room, and a bonus family room await, the latter has been pre-plumbed for a wet bar. From here, access the covered patio, complete with pet-friendly turf grass. Ideally located close to numerous local amenities, The Seasons is a desirable community consisting of a clubhouse with gym, games room, book room, outdoor pool, hot tub, tennis/pickleball courts, plus boat/ RV storage. Come and see the long list of upgrades that this ...
