Old Fort Saskatchewan

\$319,000

Originality and great value for you! This is not a cookie cutter house. This home is filled with charm of yesterday blended with today's efficiency and comforts. Come home to unique character & true craftsmanship that is rare to find these days. Artisanal surfaces of lath & plaster walls that naturally provide great sound insulation with a classic look. Arch doorways, real wood doors with glass knobs, highly functional galley kitchen where rustic meets class. Dining room has built-in cabinetry and there are storage nooks throughout the house. 1 bedroom up, unique 2 room bedroom with walk-in closet down. A bright layout up and down with plenty of large windows. Central A/C, hot water heater & High efficient furnace all installed in 2018. Kitchen cabinets and appliances new in 2019 as was the barnwood laminate flooring. Design your home from the past, here is your canvas! Outside you have a LARGE fully fenced back yard an oversized 2 car garage with workshop area, back lane access with parking pad. (id:6769)
