Welcome to 103A-156 Clearview Crescent -- a turn-key ski chalet tucked right into the heart of Apex Mountain Resort. This cozy, character-filled retreat is the perfect basecamp for first tracks and ski nights by the fire. Step inside to a bright main floor featuring a cozy living room anchored by an electric fireplace, a well-equipped kitchen with plenty of prep space, and a full 3-piece bath tucked behind a rustic sliding barn door -- all finished with warm wood accents and mountain charm. A private patio off the main level gives you a spot to unwind after a day on the hill.
