Welcome to Solstice Lane, a 2015 Craftsman-style townhouse in the heart of Summerland, close to shops, schools, and everyday amenities. The bright main floor has 9-foot ceilings, large windows, and a gas fireplace giving the main living area a cozy warmth through the cooler months. The kitchen features quartz counters, stainless appliances, and an island, with an adjacent dining area and a 2-piece bathroom on this level. Step out to the west-facing patio for summer barbecues, evening drinks, or a spot for kids and pets to play. Upstairs, three bedrooms give you space for family, guests, or a home office, including a large primary with a 4-piece ensuite and walk-in closet. The flex room opens to an east-facing balcony, a nice spot for morning coffee, and laundry is on this level too. A single garage and an extra parking stall keep your vehicles and visitors covered, and the large crawl space adds storage. Enjoy peace of mind with recent updates including new flooring, dishwasher 2026, hot water tank 2026, washer/dryer 2023 and a new refrigerator 2023. This is a quiet, 7-unit, self managed strata with no age restrictions, and pets and rentals welcome, so it suits first-time buyers, down sizers, families, and investors alike.
